Coverage

ISO27001

Version	2022
Clause	A.5.15
Clause title	Access control
Clause text	Rules to control physical and logical access to information shall be established.
Mapped controls	AC-01, AC-04
Count	2
Covered	Yes

ISO27001

Version	2022
Clause	A.5.16
Clause title	Identity management
Clause text	The full lifecycle of identities shall be managed.
Mapped controls	AC-02
Count	1
Covered	Yes

ISO27001

Version	2022
Clause	A.5.17
Clause title	Authentication information
Clause text	Allocation and management of authentication information shall be controlled.
Mapped controls	AC-03
Count	1
Covered	Yes

ISO27001

Version	2022
Clause	A.5.23
Clause title	Cloud services security
Clause text	Processes for acquisition, use and exit of cloud services shall be established.
Mapped controls	TPR-01
Count	1
Covered	Yes

ISO27001

Version	2022
Clause	A.5.30
Clause title	ICT readiness for continuity
Clause text	ICT readiness shall be planned and tested against continuity objectives.
Mapped controls	BCP-01
Count	1
Covered	Yes

ISO27001

Version	2022
Clause	A.8.12
Clause title	Data leakage prevention

Clause text	Data leakage prevention measures shall be applied to systems handling sensitive information.
Mapped controls	DLP-01
Count	1
Covered	Yes
ISO27001	
Version	2022
Clause	A.8.15
Clause title	Logging
Clause text	Logs recording activities, exceptions and events shall be produced, stored and reviewed.
Mapped controls	LOG-01
Count	1
Covered	Yes
ISO27001	
Version	2022
Clause	A.8.16
Clause title	Monitoring activities
Clause text	Networks and systems shall be monitored for anomalous behaviour.
Mapped controls	LOG-02
Count	1
Covered	Yes
ISO27001	
Version	2022
Clause	A.8.24
Clause title	Use of cryptography
Clause text	Rules for effective use of cryptography, including key management, shall be defined.
Mapped controls	CRY-01, CRY-02
Count	2
Covered	Yes

ISO27001	
Version	2022
Clause	A.8.7
Clause title	Protection against malware
Clause text	Protection against malware shall be implemented and supported by user awareness.
Mapped controls	MAL-01
Count	1
Covered	Yes
NCA-ECC	
Version	2:2024
Clause	1-2-3
Clause title	Cybersecurity roles and responsibilities
Clause text	Roles shall be defined, documented and assigned.
Mapped controls	GOV-01
Count	1
Covered	Yes
NCA-ECC	
Version	2:2024
Clause	2-10-1
Clause title	Cryptography
Clause text	Approved cryptographic standards shall be applied to data at rest and in transit.
Mapped controls	CRY-01, CRY-02
Count	2
Covered	Yes
NCA-ECC	
Version	2:2024
Clause	2-12-1
Clause title	Event logs and monitoring

Clause text	Security event logs shall be collected, retained and monitored.
Mapped controls	LOG-01, LOG-02
Count	2
Covered	Yes
NCA-ECC	
Version	2:2024
Clause	2-13-1
Clause title	Incident and threat management
Clause text	A cybersecurity incident response capability shall be established.
Mapped controls	IR-01, IR-02
Count	2
Covered	Yes
NCA-ECC	
Version	2:2024
Clause	2-2-1
Clause title	Identity and access management
Clause text	Access shall be granted on least privilege and need-to-know.
Mapped controls	AC-01, AC-02, AC-03
Count	3
Covered	Yes
NCA-ECC	
Version	2:2024
Clause	2-3-1
Clause title	Information system protection
Clause text	Systems shall be protected from malware and unauthorized change.
Mapped controls	MAL-01
Count	1
Covered	Yes

NCA-ECC	
Version	2:2024
Clause	2-5-1
Clause title	Network security management
Clause text	Networks shall be segmented and protected at the perimeter.
Mapped controls	NET-01
Count	1
Covered	Yes
PDPL	
Version	2023 amendment
Clause	Art.11
Clause title	Lawful basis and consent
Clause text	Personal data shall only be processed on a lawful basis.
Mapped controls	PDP-01
Count	1
Covered	Yes
PDPL	
Version	2023 amendment
Clause	Art.19
Clause title	Data minimisation and retention
Clause text	Data shall be limited to purpose and destroyed when no longer required.
Mapped controls	PDP-01
Count	1
Covered	Yes
PDPL	
Version	2023 amendment
Clause	Art.20
Clause title	Security of personal data

Clause text	Appropriate organisational and technical measures shall protect personal data.
Mapped controls	CRY-01
Count	1
Covered	Yes

PDPL

Version	2023 amendment
Clause	Art.24
Clause title	Breach notification
Clause text	Breaches shall be notified to the competent authority without undue delay.
Mapped controls	IR-02
Count	1
Covered	Yes

PDPL

Version	2023 amendment
Clause	Art.29
Clause title	Cross-border transfer
Clause text	Transfers outside the Kingdom are restricted and conditional.
Mapped controls	PDP-03
Count	1
Covered	Yes

PDPL

Version	2023 amendment
Clause	Art.4
Clause title	Data subject rights
Clause text	Data subjects have rights of access, correction and destruction.
Mapped controls	PDP-02
Count	1
Covered	Yes

SOC2

Version	2017 (rev. 2022)
Clause	CC6.1
Clause title	Logical access — provisioning
Clause text	Logical access security measures restrict access to protected assets.
Mapped controls	AC-01, AC-03, AC-04
Count	3
Covered	Yes

SOC2

Version	2017 (rev. 2022)
Clause	CC6.6
Clause title	Logical access — external threats
Clause text	The entity implements measures against threats from outside its boundaries.
Mapped controls	DLP-01, NET-01
Count	2
Covered	Yes

SOC2

Version	2017 (rev. 2022)
Clause	CC7.2
Clause title	System monitoring
Clause text	The entity monitors components for anomalies indicative of malicious acts.
Mapped controls	LOG-01, LOG-02
Count	2
Covered	Yes

SOC2

Version	2017 (rev. 2022)
Clause	CC7.3
Clause title	Incident evaluation

Clause text	The entity evaluates security events to determine whether they are incidents.
Mapped controls	IR-01
Count	1
Covered	Yes

SOC2

Version	2017 (rev. 2022)
Clause	CC8.1
Clause title	Change management
Clause text	The entity authorises, designs, tests and approves changes before implementation.
Mapped controls	CHG-01
Count	1
Covered	Yes
